**Letter of Invitation to Host
the 12th Symposium on Diseases in Asian Aquaculture (DAA12) in 2023**

Dear Colleagues,

Greetings from the Fish Health Section of the Asian Fisheries Society (FHS-AFS).

The Executive Committee of the FHS-AFS (ExeCom) hereby invites application from suitable organizations/institutes in Asia Pacific region for expression of interest to host the 12th Symposium on Diseases in Asian Aquaculture (DAA12) to be held during the latter half of 2023. About 300 scientists and stakeholder from the aquaculture industry are expected to participate in this event.

The main objective of this symposium is to provide opportunity to scientists and stakeholder working on the field of aquatic animal health to present and discuss broad issues and specific topics related to aquatic animal health in Asian Aquaculture.

The host organization will be responsible for raising funds and organizing the event with the directions from the ExeCom. If needed, FHS can provide seed money to kick start the organization of the event.

Please fill up the attached application form and send to Dr. Eduardo M. Leano, Secretary and Treasurer of ExeCom (2017-2020) at eduardo@enaca.org.

The last date for submitting the application form is **31 July 2020**. The FHS-AFS will announce the host city/country for the DAA12 during the DAA11 to be held in Kuching, Malaysia in 2020.

Thank you for cooperation and continued support to FHS-AFS.

Yours sincerely,

Dr. Agus Sunarto
Chairperson
