## 10<sup>th</sup> Symposium on Diseases in Asian Aquaculture (DAA10)

The ANVAYA Beach Resort, Bali, Indonesia

28 August - 1 September 2017

### DAA10 – Back to Bali: Surfing Science in the Sun

## Second Announcement

We invite you to join us for the **10<sup>th</sup> Symposium on Diseases in Asian Aquaculture (DAA10)**, the popular triennial event of the Fish Health Section of the Asian Fisheries Society (FHS-AFS), to be held from 28 August to 1 September 2017 at **The ANVAYA Beach Resort**, Kuta, Bali, Indonesia.

#### Background

The FHS-AFS was founded in 1989 and held the first Diseases in Asian Aquaculture (DAA) in 1990 in Bali, Indonesia. Since then, DAA has been held in Thailand, the Philippines, Australia, Sri Lanka, Taiwan, India, and Vietnam. To celebrate the milestone of one of the biggest scientific events on research, diagnostics and services of aquatic animal health in Asian aquaculture, DAA10 is coming back to Bali. The symposium **promises to combine intellectual stimulation and a sunny retreat at an exotic Bali paradise, surfing science in the sun**. DAA10 is anticipating an attendance of 400 delegates from 30-40 countries over five days of the Symposium. With the chosen theme of **“Enhancing Aquatic Animal Health Research and Services through Public-Private Sector Partnerships”** we anticipate to cover topics from classic parasitic, bacterial and viral diseases to emerging trends and cutting-edge research in aquatic animal health. Ample time will be scheduled for networking, public-private sector round table discussions, field trips and social functions during the Symposium. Trade displays will be exhibited throughout the Symposium. Three satellite workshops: FAO’s Inter-regional Workshop, NACA’s Meeting of the Asia Regional Advisory Group on Aquatic Animal Health, and a Bioinformatics Workshop are being organized back-to-back with DAA10.

#### Confirmed Keynote and Invited Speakers for Each Session:

##### 1. Keynote presentations:

Dr Samuel Thevasagayam, Bill and Melinda Gates Foundation, USA.

Dr Rohana Subasinghe, FutureFish, Srilanka.

**2. Emerging issues:** Dr Grant Stentiford, EU Reference Laboratory for Crustacean Diseases, England.

**3. Virology:** Prof Alain Vanderplasschen, **University of Liège**, Belgium.

**4. Bacteriology:** Prof Iddya Karunasagar, India.

**5. Parasitology:** Dr Andy Shinn, Fish Vet Group Asia Limited (FVGAL), England/Thailand.

**6. Shrimp Diseases:** Prof Tim Flegel, Mahidol University, Canada/Thailand.

**7. Immunology:** Prof Ikuo Hirono, Tokyo University of Marine Science and Technology, Japan.

**8. Vaccinology:** Dr Jeremy Carson, Aquatic Animal Health and Vaccines Centre of Excellence, DPIPW, Australia.

**9. Biosecurity & Diagnostics:** Dr Ingo Ernst, Aquatic Pest and Health Policy, DAWR, Australia.

## Important Dates

Registration and Abstract Submission Open	: 2 January 2017
Abstract Submission Deadline	: 31 March 2017
Abstract Review process	: 1 April – 31 May 2017
Notification of Abstract Acceptance	: 31 May 2017
Early Registration Deadline	: 31 May 2017
Latest Registration Deadline	: 31 July 2017

## Registration Details:

### A. FHS-AFS Regular Members

Early Registration	: 400 USD (2 January- 31 May 2017)
Late Registration	: 450 USD (1 June - 31 July 2017)

### B. FHS-AFS Student Members

Early Registration	: 250 USD (1 January - 31 May 2017)
Late Registration	: 300 USD (1 June - 31 July 2017)

### C. Non-Members

Early Registration	: 450 USD (1 January - 31 May 2017)
Late Registration	: 500 USD (1 June- 31 July 2017)

### D. Indonesian Nationals

Early Registration	: 300 USD (1 January - 31 May 2017)
Late Registration	: 350 USD (1 June- 31 July 2017)

### E. Indonesian Students

Early Registration	: 150 USD (1 January - 31 May 2017)
Late Registration	: 200 USD (1 June - 31 July 2017)

## Proceedings

The **review papers** presented by keynote and invited speakers will be published in the **Journal of World Aquaculture Society**. We're in the process of obtaining support from the Japanese Society of Fish Pathology to publish the **research papers** presented by the participants at DAA10 as a special issue of the journal of **Fish Pathology** (Japan). Acceptance is subject to meeting the peer review process of the journal.

## Local Organisers

The Indonesian Ministry of Marine Affairs and Fisheries (MMAF) will be our local host who will organize the event in close cooperation with the FHS-AFS.

## Student Travel Awards

FHS-AFS awards up to 10 student travel awards to qualified post graduate students to present their work at DAA10. Application for the award and full research paper should be submitted before the deadline of 31<sup>st</sup> March 2017 to Dr. C.V. Mohan at [V.Chadag@cgiar.org](mailto:V.Chadag@cgiar.org)

## Sponsorship

Organizations and companies interested in sponsoring and supporting the DAA10, are welcome to contact the organizers for further details about sponsorship opportunities.
